

VISION BOARD for our world

Did you know you can **SHAPE THE FUTURE?!** It's true! But first, you have to imagine it. What it looks like is totally up to you. Welcome to the magical, completely awesome world of vision boards!

WHAT IS A VISION BOARD?

A vision board is a collage of things that inspire you, motivate you, or remind you of your goals. It can also be a tool that helps you imagine (or *visualize*) the future you want to live in. Pretty cool, right?

SO, HOW DO I MAKE ONE?

Great question! There are lots of ways to create a vision board, but you gotta start by thinking **BIG!** Take a minute to imagine what **YOUR** perfect world could look like.

Once you've got your vision ready, you'll need:

- Paper
- Scissors (and an adult to help you!)
- Markers, crayons, or pencils
- Glue or tape
- Magazines, newspapers, pictures, words, etc.
- Your imagination

LET'S DO THIS!

Think about the questions on the vision board template. What words and images does your thinking inspire? Grab an adult and bust out your supplies - the future is totally up to you!

The letters are set against a dark purple background that has a subtle, starry texture. To the left of the text, there are stylized, colorful splashes of paint in shades of green and orange. To the right, there are more orange and purple splashes, along with a small orange sphere and a purple wavy line.The "OURWORLD" logo is positioned to the right of the Nickelodeon logo. It consists of the word "nickelodeon" in a smaller, orange, lowercase font above the word "OURWORLD" in a large, bold, yellow, uppercase font. The text is contained within a dark purple rectangular box with a white border. The background of the entire top section is a dark purple space with a starry pattern, accented with orange and purple abstract shapes and a small orange planet.
